Revised September 2011

CITRUS COLLEGE / HAUGH PAC

NEW BUS DROP-OFF AND PARKING INSTRUCTIONS

Please make sure bus drivers receive these instructions prior to arrival at Citrus College. **These instructions have recently changed; there is no longer a bus drop-off location EAST of the PAC.**

BUS DROP-OFF INSTRUCTIONS:

Arriving buses should enter campus from Citrus Avenue at Campus Drive (adjacent to the electronic marquee on the southwest corner of campus) ONLY. Please refer to the campus map on page 2 for the route to the PAC, and for the safest exit route from campus after passengers disembark.

Curbside drop-off for the Haugh PAC is available along the NORTH side of the new Student Services building and along the WEST side of the PAC.

PLEASE NOTE: Campus personnel will be coordinating traffic flow during bus arrivals whenever classes are in session; please watch for them and obey their instructions.

BUS PARKING INSTRUCTIONS:

THERE IS NO ON-CAMPUS PARKING AVAILABLE FOR BUSES BETWEEN 7AM and 10PM Monday-Friday when classes are in session. However, auxiliary parking is available (during performances only) at nearby Azusa Pacific University in LOT 1 (Citrus Annex 2). From Citrus Avenue, travel WEST on Foothill Blvd. approximately ¼ mile. Travel past the APU marquee, then turn RIGHT (north) into Lot 1 (Citrus Annex 2).

When exiting Lot 1 to return to Citrus College, exit via the WEST end of the lot where a traffic signal permits access to Foothill Blvd.

BUS PICK-UP INSTRUCTIONS:

Buses arriving to pick up passengers should use the same route as described above. Please DO NOT arrive early; buses are NOT allowed to wait at curbside drop-off location. Northbound buses waiting for access to drop-off point may NOT load or unload passengers on the WEST side of the Student Services Building.

Questions? Please call (626) 852-8046, and thank you in advance for respecting these necessary safety instructions.
