

Rental Rates & Procedures: Effective March 13, 2018

We at the Haugh Performing Arts Center are pleased to be able to help you prepare for your event. We look forward to working with you to accommodate your needs with regard to staff, technical requirements, and other necessities. Please be sure to read through this packet carefully prior to filling out your Facility Use Application*.

*Please note: the Facility Use Application is a multi-purpose form used campus wide to request use of campus facilities. The HPAC staff can assist you with questions and concerns pertaining specifically to the HPAC. Other questions (for additional classrooms, banquets, etc.) should be directed to Judy Rojas, Facilities Coordinator.

GENERAL RENTAL INFORMATION:

HPAC Staff: Based on our understanding of your event, we will provide both technical & front of house staff. Quoted fees include a House Manager, an Event Coordinator, a Stage Manager and UP TO four technicians; UP TO 11 ushers; and limited custodial support. If your needs differ from this, please discuss it with us in advance.

Please be aware that the Stage Manager and the House Manager are there to help you have a smooth-running event however, their first responsibility is safety. Should a situation arise during the event, which in their estimation places the safety of anyone or the facility in jeopardy, their decision is final. Any condition that, in the judgment of the Stage Manager or House Manager creates a risk for persons or equipment will be corrected or will not be used. This may include excessive sound levels, unsafe on-stage activities, poorly constructed scenery or rigging hardware, audiences that exceed the seating capacity of the facility, or other possible hazards. Your use of the facility is conditional on acceptance of this authority.

We will strive to make your event successful, however we cannot produce your event for you. We strongly encourage you to have a person trained in theatrical techniques, preferably a Production Manager, on your staff or working with you. Numerous questions will arise as you prepare for your event. An additional fee will be assessed if any HPAC staff are required to answer excessive questions in this regard. A representative of the Renter, preferably the Production Manager knowledgeable of the contract and all conditions of the agreement, shall be present and responsible whenever activity is taking place in the theatre.

Scheduling Considerations: HPAC employees may not work more than two hours without a 15-minute break and six consecutive hours without a one-hour meal break. During this time, everyone leaves and the building is locked. Split breaks and other arrangements are not acceptable. This should be taken into account when scheduling your event; costs associated with overtime and meal penalties will be passed on to you, the Renter, and settled before you leave the building.

Non-Exclusivity of Use: Frequently, when a rehearsal and performance are scheduled on different days, we are able to allow your props and set-up to remain in place; however, this is not a guarantee. With increasing frequency, multiple tenants are scheduled for a single day. Approval of your event does NOT guarantee exclusivity, although we will work hard to make sure you are aware of the schedule as it develops. Since week-end dates are in high demand, Citrus reserves

the right to charge "performance rate" for all rehearsal blocks scheduled on Friday, Saturday, or Sunday, when multiple users request the facility.

Duration of Event: Unless otherwise arranged, set-up for your event BEGINS at the start time listed on your application, or when you actually enter the facility. This includes set-up of microphones, draperies, etc... In most cases, the crew scheduled to work your event is paid starting at the scheduled start time, so be aware that participants may be asked to wait outside until the scheduled beginning of your event. Your billable "Performance" use MUST begin at least one hour before your published start time, to allow time for the house to be prepared and audience to take their seats. Following your event, the crew will return the stage to its original condition. If this strike extends past your rental time, you will be billed at the "Set-up/Strike" rate. If your performance runs over its estimated time, you will be billed at the Performance rate until it has concluded and the house staff has finished their duties, plus a \$100 per hour surcharge fee at our discretion. Crew breaks must be accommodated regardless of start and end times.

BASIC RENTAL PACKAGE:

Rental charges include labor as listed below, use of stage, seating area, lobby, and 4 dressing rooms as well as standard lighting plot, drapes in standard locations, and use of the sound system's basic components. The HPAC also has available band risers, choral risers, piano, up to 40 folding chairs, and up to 40 music stands. Although there is no charge for use, they are set-up and taken down during the rental period unless other arrangements are made in advance.

Renter will be billed for labor necessary to strike production and restore facility to pre-event condition. Excessive housekeeping charges will be passed on to the Renter as well.

This includes set-ups, load-ins, rehearsals, work calls, shows, etc. Reminder: your rental deposit is non-refundable.

ADDITIONAL INFORMATION:

We can provide tables for this purpose, but the Renter is responsible for staffing the table and handling money. Please continue to staff the table for at least fifteen minutes AFTER the published start of the event. Our staff will take tickets according to your instructions, as well as assist patrons in finding seating. We can provide you with a set of either Reserved or Unreserved tickets for the Center, and strongly recommend that you utilize this option. However, Reserved Seating **requires** you to purchase a full set of tickets from us. The box office and the adjacent snack bar are not available for rental users.

Programs: The house staff will be happy to hand out your free programs, if any, while seating patrons. Please make sure that the programs are available to the House Manager or event supervisor at least one hour prior to the start time of the event. Be sure to leave instructions if you have special requests, and make sure to let us know if you want extra ones returned.

Concessions: The Haugh Performing Arts Center has a house concessionaire that has the exclusive right to serve food and beverages at all performances in the Center. If you do not want that service to be available, please notify us well in advance and we will attempt to accommodate your request. Campus visitors at other times (for meetings, dropping off applications, etc.) should purchase a permit before parking on campus from the yellow kiosks or at the Campus Safety Department located at Campus Drive and Citrus Avenue. Park in any unmarked stall. Tickets will very likely be issued for any vehicle illegally parked in red zones, handicapped spaces, outside of stalls or "nose out", regardless of a purchased permit. Vehicles with a state recognized handicapped placard, properly displayed in their vehicle, do not require a parking permit.

Make arrangements in advance with HPAC staff. **NO VEHICLES MAY BE LEFT UNATTENDED IN THIS ROAD AT ANY TIME.** Private vehicles are NOT permitted to drive on the west patio area. With advance notice, a few parking passes may be issued for your event.

Event communication: All of the technical personnel involved in running the performance backstage are linked via a headset system; in many cases the Stage Manager will make this system available for Renter's personnel as well. The front of house staff communicates via walkie-talkies between backstage, ushers, and management. Sorry, these devices are not available to renters.

Backstage support areas: Please note that food and drinks are not allowed on-stage, in the classrooms or in the audience area during set-up, rehearsals, and show. Enclosed water bottles are the only exception. If you need to post signs or directions, please check with the Stage Manager before doing so. Some kinds of tape cause damage to paint **AND YOU WILL BE BILLED FOR IT.** If you are using spaces adjacent to the stage (dressing rooms, classrooms, etc.), it is Renter's responsibility to clean the rooms and return furniture to original positions. curtains. In certain instances, renters may supplement but not replace crewmembers, with experienced technicians. Only HPAC employees are allowed on catwalks and in technical areas.
